## 2021 SALE

OCTOBER 9 | KNOXVILLE, TN

## HEALTH

All cattle selling, of test age, will be tested for Brucellosis and T. B. within 30 days of sale or originate from a certified and/or accredited herd or free state. A proper interstate health certificate will be furnished. All females selling as pregnant will be pregnancy tested by vet and called accordingly. All bulls of age will be fertility tested satisfactory and will be Trichomoniasis tested free.

## TERMS & CONDITIONS

All sales are cash or check and settlement must be made upon conclusion of the sale. Cattle will not be released until settlement is made. Please make checks to Outfront Cattle Custodial. This sale is conducted under standard sale conditions and a copy is available at the settlement desk or by written request.

## TRUCKING

A special trucking arrangement has been made if arranged by the sale manager. Please contact for details. Rates for local hauls are also available at reasonable prices.

## SHIPPING

Buyers are responsible for all shipping and handling fees for embryos & semen and any signing fees on sires.

## BIDDING

If you are unable to attend, you may phone your bid into the sale manager or AICA fieldman, and they will bid for you, in strict confidence. For details or more information, please call the sale manager.

## INSURANCE

Insurance is available at the settlement desk.

## PERSONAL SAFETY

We will provide masks and hand sanitizer for everyone and ask that you help with social distancing as much as possible. Your safety is of utmost importance to us. You attend at your own risk and Outfront Cattle, Knoxville Livestock Market, and the GA, FL, & SC Charolais Assoc. are not responsible for any accidents or exposures to Covid 19.

## Welcome TO THE 2021 SOUTHERN CONNECTION SALE

Welcome to the Southern Connection sale. We have a tremendous offering of consignors and cattle to this elite sale. They represent many opportunities to invest in quality cattle and in enough numbers that you may buy reasonably and fulfill all your requirements. For the first time, we have quite a few bulls offered, many are ET genetics. Several offer real potential as major herdsires for any program. We even have some at the end of the catalog that were late entries. The females are as good as any you will find and could be in any national sale. The breeders have gone all out to bring you their very best! If I, the sale consultants, or Floyd Wampler can be of any assistance, please call us!

Sincerely,

*Dennis Adams*

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** One of the premiere offerings this fall in the great son of Cigar, one of the most influential sires in the history of the breed. His dam is equally impressive, a superb donor at Bamboo Farms before going to Herndon Farms. One of the top Duke 914 daughters in the breed from a stacked pedigree of great ones, including her legendary dam, D029! Pedigree, Conformation, and growth to move any herd into a national highlight!

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** A maternal sister sold in the 2021 Appalachian sale to Chad Bradford, AL. From the foundation Nancy family and a sire that has been a many time AICA Trait Leader and probably sired more Trait Leaders than any bull in the industry. The 914 daughters have consistently been some of the top producers in the breed and blended with Cigar has been a true complimentary mating!

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** Another display of the top genetics available from Oak Hill. The legendary "Galli" donor cow exquisitely mated to Vanessa D029! Ali Mark set many records in the commercial world of proven beef production with milk. For many years he was a top AICA Trait Leader for several traits and sired LHD Ali Ruler, a former #1 Milk Trait leader! Never underestimate the Vanessa genetics!

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** Heavy influence of proven M6 genetics in this masterful mating! Again, the foundation of Vanessa on bottom side enforces plenty of reliability in this outstanding young sire. A light birth weight combined with a very good weaning wt., 717, make this performance sire a good prospect to evaluate. With this pedigree, growth, and style you have a winner!

**Selling 67% Interest and Full Possession, Fertility & Trich Tested.** Wright Charolais owns the 33% semen Interest only. A rare opportunity to invest in a slightly older, but very proven herdsire! A tremendously easy calving bull as evidenced by his 12.1 EPD! (a well known fact about Rushmore genetics) Blue Value has added abundant performance and style to his progeny. Ranks in the top 9% CE, 15% BW, 25% WW, 1% Milk, and 2% MTL for EPDs. Very important with today's demands, he is also in top 15% for Marbling.

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** Dam is a line-bred Sly daughter out of GaGa, dam of lot 8. Several breeders that had Vulcain genetics were super excited about his progeny. Zeucain 753's dam is a perfect model of ideal cow, beefy, clean, strong top, great udder quality, extended clean neck, lots of volume for easy-fleshing, and superb disposition! Excellent frame, strong, long top, and correct sire!

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** Out of our newest Lindskov-Thiel acquisition, LT River Dance. He has certainly fulfilled his expectations! Super length and stretch in this top selection. Excellent scrotal development along with his overall conformation and growth pattern! His dam's CI is 1/17; 1/18; 3/19; 1/20; 1/21 for super impressive fertility. She is now owned by Cawley Cattle Co. GA.

**Selling Full Interest and Full Possession, Fertility & Trich Tested.** Plenty of muscle shape and quality in this top prospect. His length, structural correctness and bone make him a logical choice to design a solid breeding program to get those outstanding Charolais cross calves. This moderate frame bull will be an easy-fleshing, good-doing kind of bull working in the pasture without excessive care or feed. A good rugged bull that will hold up the whole season.

**Selling Open.** EPDs rank in top 25% WW, 35% YW, 3% Milk, and 4 % MTL for breed comparisons. Quite a pedigree here on this magnificent heifer! Her dam is a full sib to lots 111 and 112, all full sibs to previous high selling lots in a Southern Connection sale. Their sire traces to a Cigar dam, 2070, is one of the all-time great donor cows in the breed. Ruby traces to JWK Ruby E205, a \$50,000 donor cow! Good investment here!

**Due 11/4/21 to Hayden G840, M941791.** Her dam, D823 is also the dam of Lots 2 and 47! Power in the genetics! D823 is a feature donor in the L.G. Herndon Farms, GA., ET program. (Another Cigar daughter). J901 also descends from the legendary Nancy cow family on the bottom side. Ranks in the top 20% for both Milk and MTL. Resource is one of the more popular bulls in the industry and offers great support within.

**Due 11/1/21 to Hayden G840, M941791.** One of the most unique sales in the breed with this many full sisters being offered, as J907 is a full ET sib to J901! Again, take 'em both home! Light birth weight combined with good growth numbers for a perfect blend. With this pedigree you are very flexible to go show route or to just raise great working cattle! Another great genetic improvement opportunity.

**Sells Open.** Super fancy prospect in this elite daughter of Miss Tina 267 and a full sib to Lot 80 so you can evaluate what she will be as a cow! Resource has been used heavily in many programs and has become one of the "go-to-sires" for lots of breeders. She is very rich in pedigree on top and bottom sides. The influence of the great donor JWK Clarice J139 is very positive. B26S has produced 8 calves.
